

Protection of Human Subjects

This project qualifies for Exemption 4: Research involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in such a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.

This project uses XX.

Because this project qualifies for Exemption 4, no attachments for Inclusion of Women and Minorities or Inclusion of Children are provided.
